Study Time

Total Qualification Time (TQT)

It is an estimate of the total length of time that a learner is expected to spend demonstrating mastery of all learning objectives to receive the qualification.

The total qualifying time (TQT) estimates how much time a learner will commit to preparation, study, and assessment. It is not the basis for supervision by a lecturer, supervisor, or tutor. TQT defines the credit value in the case of qualification, and one credit equates to ten hours of study.

Guided Learning Hours (GLH)

All contact time, advice, or supervision of a learner by a lecturer, supervisor, tutor, trainer, or other competent education or training providers is included in these hours.

Total Qualification Time for this qualification is 650 hours

The total credit value for this qualification is 65

This qualification requires 378 Guided Learning Hours

Qualification Requirements

Minimum Age of Learner

**16
Years**

Real Work Environment (RWE)
